About the Program

Aquarion Water Company of Connecticut is pleased to announce that it has allocated a sum of \$50,000 to its Customer Assistance Program as a continuation of its 2007 pilot offering to assist customers in need with the payment of their water bills. A one-time voucher in the amount of \$50 will be granted to 1,000 customers in 2009 who are either home-owners in Aquarion's service territory or contractual renters (water bill must be in renter's name) who pay a quarterly water bill. Once the \$50,000 has been allocated, the program will conclude for 2009.

To apply for assistance, customers may complete the application form to the right and attach proof of eligibility. Customers qualify for assistance if they currently receive assistance from one or more of the following sources:
